The main logo for Thierica Equipment Company, featuring the word "THIERICA" in a large, bold, sans-serif font with a registered trademark symbol, and "EQUIPMENT COMPANY" in a smaller font below it. A red, stylized shape resembling a plow or a blade is positioned behind the text.

The Difference -Because of what we do...

- Both in Grand Rapids and Monterrey we:
- Design and manufacture equipment in house
- Mechanical Design, Controls Design, Robot Programming all in house
- In house run off of all equipment prior to shipment
- Modular robust construction
- Single point contact project management
- 24 hr service and support after the sale
